

Questionnaire for stakeholders

Event _____

Event type

Scientific conference

Workshop

Trade Fair

EC event

Company _____

Job Title _____

Sector _____

Main feedback received. The following questions are suggested as guidelines, but contributions are totally opened to any topic related to the project .

Guiding questions to motivate the discussion:

Impacts that the project developments have on the Offshore Wind Sector

What barriers / obstacles / risks do you detect for future implementation (regulation, technical, etc.)?

What technologies do you consider complementary to the project developments, which optimize their use?

What is your interest in applying the technologies developed in your activity?

Other comments

Thank you for the feedback!
