ROMEo project consortium partners have met on the 11th and 12th of December in Austria to celebrate the third Technical Committee Meeting. The main objective of this internal meeting was to perform a follow-up of the project and define the next steps in order to achieve the success of this initiative backed by the Horizon 2020 programme.

The assembly was hosted by Uptime Engineering, one of the ROMEo Consortium partners and the leader of work package 6, who provided their headquarters located in the Austrian city of Graz. During
